

Vol. 10 I'm going to the Doctor

Nelli has hurt herself. She goes to the paediatrician with her dad and her cuddly jellyfish Kiki - which is pretty exciting! The cheerful and funny flap book shows everything important about the (first) visit to the paediatrician.

What are the procedures like? What is there to discover? This non-fiction book of the WAS IST WAS My World series makes children curious about their first visit to the doctor, eases worries and builds confidence. For children aged 2 and over to read aloud and discover - with many fun flaps!

Title Information

Category: WAS IST WAS My World
 Age range: 2+ years
 Series: 14 volumes
 Artwork: Full-colour illustrations
 Format: HC, 16 pp, 17 x 19.6 cm
 With many flaps

Key Selling Points

- Lovely illustrations and easy-to-understand texts
- Experiences of children's everyday life
- With many exciting flaps to discover

Vol. 1 So angry, so happy - My Feelings

Ida and Anton are going to the playground. Anton wants to go down the big slide today! But it's pretty high ... And Ida wants to go on the wiggly animal first! So many feelings from super happy to very angry occur: What feels so nice and tingly? And what do I do with my anger?

Vol. 2 I'm celebrating my Birthday!

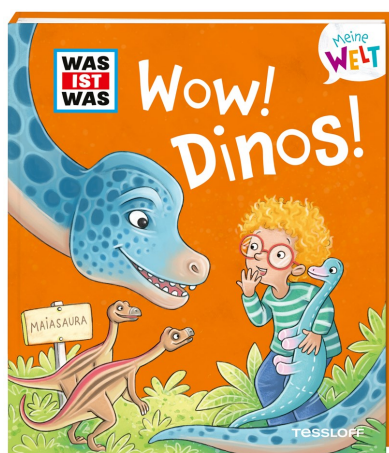

Marie can hardly wait: her birthday is coming up soon! She makes invitation cards and draws a wish list. What actually is a birthday? How many candles are on the cake? And what happens on birthday morning? Marie celebrates with her family, at kindergarten and with her friends. And when will it be her birthday again?

Vol. 3 What happens at Night?

Linus can not fall asleep... So Mommy and Daddy tell him about sleep and the night: Who is awake at night? Why do we have to sleep? And what is going on in the garden? So many exciting things happen at night! Snuggled comfortably in his bed, Linus finally falls asleep.

Vol. 4 Looking forward to Kindergarten!

„Hooray, now I'm a kindergarten child, too," Finja says happily. It's clear that saying goodbye to her mom isn't easy. But as soon as she arrived at her group, Finja has great fun singing and playing with the other children! And when pick-up time has come, she has made many new friends!

Vol. 5 Wow! Dinos!

For his birthday, dinosaur fan Maxi is in for a big surprise: together with grandma and grandpa, he gets to visit a dinosaur park! Full of excitement, he enters the grounds and is immediately thrilled by the impressive animals and the things he learns about the dinos. Great read-aloud fun for little dinosaur fans!

Vol. 6 I'm going to the Toilet!

Mia observes her big brother Theo on the toilet: She wants that too, her diaper should be gone! Mom gives her a colorful toilet attachment. It doesn't work at first, but that doesn't matter, and Mia keeps trying. Then Mia pees in the toilet! Finally, Mia sleeps her first night without a diaper!

Vol. 7 I like Ponys!

Amelie has never been to a horse farm before! That's why she's thrilled when she's allowed to go to the horses with her friend Lisa and her big sister Paula. They make friends with the ponies and admire the big horses. One mare even has a foal! They also visit the stable, which has to be mucked out. Then the ponies are fed, cleaned and saddled.

Vol. 8 There's a lot going on at the Zoo!

What an adventure! Kindergarteners Lina and Tom are at the zoo with keeper Uli. From monkeys to zebras, the two take a close look at all the animals in the zoo, watch them bathe, play and eat, take a peek into the feeding kitchen and have their food snatched from their hands in the petting zoo.

Vol. 9 We're having a Baby

Finally the time has come! The long wait is over and the new family member is here! Now they are four - and Levi is a very proud big brother! The baby needs to be fed and changed, and Levi can help: He throws the stinky diaper into the trash. And when the baby cries, he winds up the music box. As a big brother, he has many great tasks.

Vol. 10 I'm going to the Doctor

Nelli has injured herself. She goes to the paediatrician with her dad and her cuddly jellyfish! The flap book shows everything important about the visit to the paediatrician. What are the procedures like? What is there to discover there? It makes children curious about their first visit to the doctor, alleviates worries and builds confidence.

Vol. 11 Nee-naw, the Fire Brigade!

The friends Flo and Jule experience a fire brigade operation first hand and want to learn more about the work of the firefighters. They visit the fire station and are allowed to explore the vehicle hall, workshops and break rooms. Firefighters Mia and Matti answer all their questions. As they look around the control centre, there is an alarm and the fire brigade rushes to the scene with a loud toot-toot.

Vol. 12 We Help Each Other and Get Along

Nino and Pia often play together or meet other children. Sometimes they disagree or argue. Do they play with the train or the zoo? Other children also have conflicts, but after every argument, they can make up again: playing together is much more fun! Sometimes something happens: a toy lands in the bushes or a built structure gets broken. If everyone helps, even these problems are quickly solved. Sharing, helping and making up makes people happy!

My World

2+ years

Vol. 13 What does the waste collection service do?

4-year-old Carlo goes on a journey of discovery and finds out what happens to the waste paper. The journey from the rubbish bin to recycling is shown in an age-appropriate way. Carlo finds out why waste separation is important, what happens at the recycling centre and how new paper is made from waste paper.

Vol. 14 Where does the time go?

Mika is three years old and wants to explore time. It's not that easy, because sometimes it passes very quickly and sometimes very slowly. Baking biscuits takes much longer than eating them and Mika forgets all about time when he's playing. It's still so long until his birthday. Is it possible to turn the clock forward?
