Vol. 25 The Ancient Greeks

We are all familiar with them: Odysseus and the Trojan horse, Socrates, Olympia, the Acropolis. The legacy of the ancient Greeks is huge and still characterises our lives today. But who were these "ancient" Greeks, how did they live - what games did the children play and did they have to go to school? From the city-state of Athens to the Greek god Zeus, all the important and exciting information is presented in a way that is suitable for first-time readers. This makes history fun!

WAS IST WAS First Reading

With short factual texts WAS IST WAS First reading presents favourite topics in a clear but entertaining way. Many photos and illustrations help to understand the text and information boxes provide children with in-depth factual knowledge and facts. A reading quiz at the end of each chapter and a final quiz invite to test the new knowledge. This way, beginning readers independently explore favorite topics and train their understanding of text in a playful way!
